## JOIN YOUR VERY OWN BAND

Spend a week this summer writing, recording and performing a song you write with your own band! You will be matched with students of a similar age, skill level and musical interests to start a one-of-a-kind musical experience you won't find anywhere else.

These weeks are designed for all skill levels, giving you the opportunity to power up your musical skills and make new friends at the same time.

Your days will be filled to the brim learning everything you can about music and putting it into practice with your bandmates in an incredibly fun environment.

### **SONGWRITING**

Write two original songs with your bandmates under the guidance of expert instructors to bring your vision to life.

### **MUSICIANSHIP**

Learn new instrument techniques, stage presence, the basics of digital recording and more to strengthen your abilities.

### **STATE-OF-THE-ART RECORDING SESSION**

Record high-quality releases of your songs in our onsite studio before directing and filming your own music video for one.

### **LIVE PERFORMANCES**

Take to the stage to show off your new song and skills in front of a live audience.

## ***SPEND A WEEK IN THE PRODUCER'S CHAIR***

Take a step behind the scenes for the full experience of creating, recording, mixing and mastering music like the pros. You will work alongside industry professionals to learn the skills to communicate musical vision with other musicians, run a recording session, edit individual instrument tracks and produce full studio quality recordings of your work.

You'll attend a variety of specialized classes focused on areas of music production that are vital to being a successful audio engineer and producer.

Through your own recordings and working with student bands, you will gain experience with EQ, Compression, FX and MIDI programming. Learning the ins and outs of Logic Pro X and other industry standard software and technology, your final recordings will be premiered to a live audience at the end of the week to showcase your newfound skills.

# MUSICAL THEATRE

AGES 6-15

## PERFORM A MUSICAL IN 2 WEEKS

Enjoy being part of and creating a full theatrical production this summer! Journey together through preparing a full-scale junior production of film classics and Broadway favorites. Students gain total access to our state-of-the-art facility and performance space - all under the guidance of Real School Instructors and our Musical Theatre Director.

From experiencing auditions, callbacks and casting, to stage presence and improvisation, daily rehearsals are designed to be hands on and high energy! Students will benefit from full tech rehearsals to put the final touches on the show leading up to their final performances.

### PROGRAM HIGHLIGHTS

## GET THE FULL RECORDING ARTIST EXPERIENCE

*RealJams Advanced is invitation/audition only.*

Take your passion for music and the RealJams experience you love to the next level through an incredible two-week professional artist experience.

You will go through the process of creating an original 3-song EP from start to finish, attend sessions with experts to advance your knowledge and visit iconic venues and businesses in the Boston-area music scene.

Your original songs will then be released on all major streaming platforms including Spotify, Apple Music and more, sharing all your hard work with the public.

## **BAND REHEARSALS**

Form a band with students of similar age, skill level and musical interests to write and practice your own original songs.

## **INSTRUMENT LABS**

Learn advanced techniques and instrument proficiency through hands-on, high energy labs with expert musicians.

## **MASTER CLASSES**

Elevate your music skills with professional-level instruction on topics vital to being a successful musician such as Musicianship, Theory in Performance, Scale Studies, Digital Recording, Stage Presence and more.

## **OFFSITE FIELD TRIPS**

Visit top New England music facilities such as Berklee College of Music, Zildjian, UMass Lowell and Mix 104.1 for a behind-the-scenes look at the music industry.

## **TWO-DAY STUDIO RECORDING SESSIONS**

Spend two days where the magic truly happens - a professional recording studio - laying down tracks and creating high-quality final recordings.

## **LIVE PERFORMANCES**

Showcase your original songs through performing live on stage in your very own concert and directing an epic music video featuring performance footage and concepts from your lyrics.
