

SUMMER MUSIC PROGRAMS

AT THE REAL SCHOOL OF MUSIC FOR YAMAHA STUDENTS

KEYNOTE FROM YAMAHA PROGRAM DIRECTOR LILY SYMMONDS

My recommendation for summer is simple - make sure you do something musical over the course of July and August! Private lessons, Musical Theatre, a student band, online or in-person group classes, even trying a new instrument! It is very important to keep up musical activity, and Real School has some amazing programs that are here to help!

Real School offers one- and two-week full day summer music programs to give students the best summer ever. Students spend Monday-Friday 9am-4pm having fun with music in new and exciting ways while making new friends and memories at the same time.

RealJams Bands - Ages 9+ 1 week

Students of all experience levels will be paired together in a band to write and record their own song, film a music video, and perform onstage for family and friends at the end of the week.

RealJams Musical Theatre - Ages 7+ 2 weeks

Perform a Broadway Jr. musical in two weeks! Journey together through preparing a full-scale junior production of film classics and Broadway favorites. Full final productions will take place onstage for family and friends.
